

The Cricket Collective

AWARDS

2026

The Cricket Collective Awards are an annual celebration of the volunteers, young leaders, clubs, and community groups who keep the grassroots game thriving week in, week out. These awards shine a light on the people whose dedication, passion, and energy make cricket possible across the country.

Throughout the season, Recreational Cricket Boards run their local award programmes, sharing winners at county events and across social media. National winners are then selected from regional champions and announced in the winter.

To nominate someone, simply contact your Cricket Board. And don't forget to spread the word so every outstanding volunteer gets the recognition they deserve.
